- **CONTACT LENS ANNUAL FEE:** After your initial fitting, you will have Semi-Annual and Annual eye health exams to maintain your contact lens prescription. The contact lens portion of your exam is not covered by your regular health insurance. Contacts are deemed cosmetic and not medically necessary. This fee covers the cost of the extra testing required to update your contact lens prescription. This fee is for each annual and semi-annual visit. The fees are as follows:

a) Level 1 - Spherical	\$60
b) Level 2 – Astigmatic/	\$75
c) Level 3 – Bifocal/ Specialty/Custom	\$90
- **CONTACT LENS PRESCRIPTION:** Your prescription is valid for one year from date of last eye health exam. We must follow federal regulations in regards to your contact lens prescription (The Contact Lens Fairness Act.) All fitting fees and open balances must be paid before we release your prescription. Contact Lens prescriptions are not the same as glasses prescriptions.
- **CONTACT LENS ORDERING:** We work with a carrier service that delivers most prescriptions overnight to us. Please call our office or go on-line at www.wattseye.com to order your contacts. We offer direct mail on most brands of our contact lenses at no additional charge for an annual supply. We also offer a subscription service thru Lens Ferry for direct Contact Lens delivery on a quarterly basis. Custom contact lenses can take a few days or weeks to be manufactured. We will be glad to update you on the progress of the lenses if you would like. Please ask an associate for details on your contacts, delivery services and any rebate offers.

Our staff will be happy to explain this process in further detail if you wish. We understand that fees can sometimes be confusing and we are hoping to make this process as simple as possible. Thank you.
